The Evanston Community Foundation supports nonprofit organizations, schools, and government agencies that address the community needs of Evanston, IL.

The Foundation offers the following grant programs:

#### E-Town Innovation Grants

These grants of \$2,500 to \$20,000 work to reimagine a more equitable Evanston in a post-COVID world. Interests include:

- prioritizing equitable opportunities and outcomes for Black people, Indigenous people, and people of color (BIPOC);

- supporting organizations working together to solve community challenges and change systems;
- embracing creative solutions that address community needs in ways that are more effective, equitable, or sustainable than standard approaches.

Collaborative efforts are encouraged.

#### Nonprofit Growth and Sustainability Grants

These grants of up to \$25,000 are focused on organizational capacity and sustainability. Grants are made for capacity building (including technology upgrades, collaborations and mergers, and racial equity training and assessments) and operating support.

**Bridge Number:** 4310575421

**EIN:** 39-6077241

**Eligibility Requirements:** Nonprofit organizations

**Application Deadlines:** Letters of inquiry are considered on a rolling basis.

**Areas of Interest:**

The Zilber Family Foundation is dedicated to enhancing the well-being of individuals, families, and neighborhoods, with a primary emphasis on the city of Milwaukee, WI.

The Zilber Neighborhood Initiative supports coordinated, place-based efforts to improve the quality of life in three Milwaukee neighborhoods: Clarke Square, Layton Boulevard West, and Lindsay Heights. Lead agencies in each neighborhood convene residents and local leaders in the design and implementation of neighborhood improvement strategies.

Grants target quality, affordable housing and community economic development projects and programs where there is alignment with resident and community priorities, capacity to drive measurable change, and opportunity to scale solutions.

### Housing

Support is provided to organizations focused on:

- providing access to secure homeownership;
- improving property conditions; and,
- preserving affordable rental housing.

### Economic Development

Support is provided to organizations focused on:

- expanding financial education and skill building;
- improving commercial corridors; and,
- supporting small business development.

Note: The Foundation also supports nonprofit organizations in Hawaii and Legacy Programs in Milwaukee. Funding requests for these grantmaking programs are currently considered by invitation only.

### **Application Procedures:**

Letter of inquiry guidelines are available on the Foundation's website. Letters of inquiry must be submitted online.

**EIN:** 93-0797904

**Eligibility Requirements:**

Nonprofit organizations, volunteer groups with a fiscal sponsor, qualified individuals, and the Oregon Department of Fish and Wildlife

**Application Deadlines:**

Requests are reviewed four times per year. Visit the Foundation's website for current deadline dates.

**Areas of Interest:**

The Oregon Wildlife Foundation is dedicated to conserving fish, wildlife, and the natural habitat that makes Oregon so special.

The Foundation offer small grant awards to nonprofit organizations, volunteer groups with a fiscal sponsor, qualified individuals, and the Oregon Department of Fish and Wildlife for projects that fall within the following areas:

- fish and/or wildlife habitat restoration;
- public access preservation, restoration, or improvement;
- natural resource or outdoor education;
- invasive species removal or control; and,
- studies that support improved fish/wildlife management.

Projects that conserve or restore an Oregon Conservation Strategy habitat or Strategy species will be given priority. The Foundation is particularly interested in projects that conserve, restore, or improve oak savannah or wetland habitats.

Foundation funds must be matched dollar-for-dollar, in cash or in-kind from other sources.

Grants are not provided to/for:

- capital or endowment campaigns;
- scholarships or fellowships unless they are directly supporting a project in which the Foundation is a partner;
- improvement of natural resources for private gain;
- acquisition of land;
- required mitigation or toxic cleanups;
- wildlife rehabilitation or captive breeding programs; or,
- predator control activities.

**Application Procedures:**

Application guidelines are available on the Foundation's website.
